**RE: Tachalov v. Yeshiva Sha'arei Zion Elementary School**  
**Docket No.: 22-cv 4057(FB)(MMH)**

Dear Judge Block:

This office represents Plaintiff, Roza Tachalov, in the above-referenced matter. We write jointly with the Defendant to provide a status report to the Court.

On April 10, 2023, Your Honor ordered that by May 12, 2023, the parties either file a stipulation of settlement on this matter or a status report letter as to the settlement. While we are working diligently to finalize a settlement agreement in this matter, the parties respectfully request an additional thirty (30) days to file a stipulation of settlement, with a proposed deadline of June 12, 2023.

We thank Your Honor for your time and attention in this matter.

Respectfully Submitted,

/s/ Brittany Stevens
